**SUBJECT: APPLICATION AND RESUME OF YASH PATEL FOR AI/ML
SOFTWARE ENGINEER POSITION**

March 31, 2021

Tim Cook,
CEO, Apple Inc.
One Apple Park Way,
Cupertino, CA 95014,
United States

Dear Mr. Tim Cook,

As a student I have always been eager to grab an opportunity to work at Apple, I was excited to find out that you are looking for AI/ML Software Engineer. I am enclosing my job application, my certificates and my resume along with a reference, as per the requirements as stated.

Knowing what all it takes to have a job at Apple, I have learnt all the necessary technicalities required for AI/ML software engineer and to successfully develop a project. I have emphatically developed and polished my technical skills and soft skills and can affirmatively say that I am the best fit for this job.

With a B.Tech degree in Computer Engineering, I have full understanding of the necessary concepts of machine learning and software development. I also have good experience in grasping new technologies quickly to keep my knowledge up to date.

Please see my attached resume for additional information on my skills and experience. I can be reached anytime via e-mail at yasshhh.patel@gmail.com or my contact number 9619788321.

Thank you for your time and consideration. I look forward to talk with you about this employment opportunity.

Best regards
Yash Patel
